Dear T2T Friend,

On behalf of the Tunnel to Towers foundation, I would like to thank you for your recent donations. We are truly grateful for your generosity and we are honored to have your support.

Our foundation strives to “do good” by making a positive and lasting impact in the lives of others. We have established many worthwhile programs to benefit our nation’s most deserving heroes, including catastrophically injured service members, the families of fallen first responders and Gold Star families. In addition, our newest initiative is aimed at addressing veteran homelessness. We are committed to empowering these veterans not just by providing housing but also by helping them successfully reintegrate into their communities with the dignity and respect they have earned.

To honor the 23rd Anniversary of September 11th, the Foundation has announced that it has provided mortgage-free homes to the families of 23 first responders killed or severely injured in the line of duty. To learn more about these heroes and all of our programs, please visit t2t.org

Once again, we are grateful for your generosity. I'd welcome the opportunity to learn more about you and what inspired your gift to us. If You're available sometime this month or next, I'd love to chat. Feel free to give me a call at (347) 803-1590 or email me at terrance.mcginley@t2t.org

Best regards,
Terrance
